INVENTION ASSIGNMENT AND CONFIDENTIALITY AGREEMENT

In consideration of, and as a condition of my acting as an employee ("Employee") or contractor/intern ("Contractor") of **Vital8T Ventures Inc.** a company incorporated under the laws of the Province of Alberta (the "***Company***"), I hereby represent to, and agree with the Company as follows:

1. Purpose of Agreement. I understand that the Company is engaged in a continuous program of research, development, production and marketing in connection with its business and that it is critical for the Company to preserve and protect its "***Proprietary Information***" (as defined in Section 6 below), its rights in "Inventions" (as defined in Section 2 below) and in all related intellectual property rights. Accordingly, I am entering into this Invention Assignment and Confidentiality Agreement (this "***Agreement***") as a condition of my providing services to the Company, whether or not I am expected to create inventions of value for the Company.

2. Disclosure of Inventions. I will promptly disclose in confidence to the Company all inventions, improvements, designs, original works of authorship, formulas, processes, compositions of matter, computer software programs, databases, mask works and trade secrets that I make or conceive or first reduce to practice or create, either alone or jointly with others, during the period of my acting as an Employee or Contractor, whether or not in the course of my acting as an Employee or Contractor of the Company, and whether or not patentable, copyrightable or protectable as trade secrets (the "***Inventions***").

3. Work for Hire; Assignment of Inventions. I acknowledge and agree that any copyrightable works prepared by me within the scope of my acting as Employee or Contractor are "works for hire" under the Copyright Act and that the Company will be considered the author and owner of such copyrightable works. I agree that all Inventions that (i) are developed using equipment, supplies, facilities or trade secrets of the Company, (ii) result from work performed by me for the Company, or (iii) relate to the Company's business or actual or demonstrably anticipated research and development (the "***Assigned Inventions***"), will be the sole and exclusive property of the Company. I agree to assign, and do hereby assign, the Assigned Inventions to the Company. All inventions, original works of authorship, developments and trade secrets which were made by me prior to the date of this Agreement, belong to me and are not assigned to the Company ("***Prior Inventions***"). Attached hereto as Exhibit A is a list describing Prior Inventions which I intend to include in any product or service of the Company. If no such list is attached, I agree that Prior Inventions will not be included in any product or service of the Company without providing written notice to the Company. Regardless of my providing the Company notice, I acknowledge and agree that if I use any of my Prior Inventions in the scope of my acting as an Employee or Contractor, or include them in any product or service of the Company, I hereby grant to the Company a perpetual, irrevocable, nonexclusive, world-wide, royalty-free license to use, disclose, make, sell, copy, distribute, modify and create works based on, perform or display such Prior Inventions and to sublicense third parties with the same rights.

4. Assignment of Other Rights. In addition to the foregoing assignment of Assigned Inventions to the Company, I agree to assign, and do hereby irrevocably transfer and assign, to the Company: (i) all worldwide patents, patent applications, copyrights, mask works, trade secrets and other intellectual property rights, including but not limited to rights in databases, in any Assigned Inventions, along with any registrations of or applications to register such rights; and (ii) any and all "Moral Rights" (as defined below) that I may have in or with respect to any Assigned Inventions. I also hereby forever waive and agree never to assert any and all Moral Rights I may have in or with respect to any Assigned Inventions, even after termination of my work on behalf of the Company. **"*Moral Rights*"** mean any rights to claim authorship of or credit on an Assigned Inventions, to object to or prevent the modification or destruction of any Assigned Inventions or Prior Inventions licensed to Company under Section 3, or to withdraw from circulation or control the publication or distribution of any Assigned Inventions or Prior Inventions licensed to Company under Section 3, and any similar right, existing under judicial or statutory law of any country or subdivision thereof in the world, or under any treaty, regardless of whether or not such right is denominated or generally referred to as a "moral right."

5. Assistance. I agree to assist the Company in every proper way to obtain for the Company and enforce patents, copyrights, mask work rights, trade secret rights and other legal protections for the Company's Assigned Inventions in any and all countries. I will execute any documents that the Company may reasonably request for use in obtaining or enforcing such patents, copyrights, mask work rights, trade secrets and other legal protections. My obligations under this paragraph will continue beyond the termination of my acting as an Employee or Contractor of the Company, provided that the Company will compensate me at a reasonable rate after such termination for time or expenses actually spent by me at the Company's request on such assistance. I appoint the Secretary of the Company as my attorney-in-fact to execute documents on my behalf for this purpose.

6. Proprietary Information. I understand that my acting as an Employee or Contractor of the Company creates a relationship of confidence and trust with respect to any information of a confidential or secret nature that may be disclosed to me by the Company or a third party that relates to the business of the Company or to the business of any parent, subsidiary, affiliate, customer or supplier of the Company or any other party with whom the Company agrees to hold information of such party in confidence (the "***Proprietary Information***"). Such Proprietary Information includes, but is not limited to, Assigned Inventions, marketing plans, product plans, business strategies, financial information, forecasts, personnel information, customer lists and data, and domain names.

7. Confidentiality. At all times, both during my acting as an Employee or Contractor of the Company, and after its termination, I will keep and hold all such Proprietary Information in strict confidence and trust. I will not use or disclose any Proprietary Information without the prior written consent of the Company, except as may be necessary to perform my duties as an Employee or Contractor of the Company for the benefit of the Company. Upon termination of my acting as an Employee or Contractor of the Company, I will promptly deliver to the Company all documents and materials of any nature pertaining to my work with the Company and, upon Company request, will execute a document confirming my agreement to honor my responsibilities contained in this Agreement. I will not take with me or retain any documents or materials or copies thereof containing any Proprietary Information.

8. No Breach of Prior Agreement. I represent that my performance of all the terms of this Agreement and my duties as an Employee or Contractor of the Company will not breach any invention assignment, proprietary information, confidentiality or similar agreement with any former employer or other party. I represent that I will not bring with me to the Company or use in the performance of my duties for the Company any documents or materials or intangibles of a former employer or third party that are not generally available to the public or have not been legally transferred to the Company.

9. Efforts; Duty Not to Compete. I understand that my acting as an Employee or Contractor of the Company requires my undivided attention and effort. As a result, during my acting as an Employee or Contractor of the Company, I will not, without the company's express written consent, engage in any other employment or business that (i) directly competes with the current or future business of the Company while I am employed; (ii) use any Company information, equipment, supplies, facilities or materials; or (iii) otherwise conflicts with the Company's business interest and causes a disruption of its operations. I agree that this restriction shall apply for 12 months following the termination of my employment with the Company.

10. Notification. I hereby authorize the Company to notify third parties, including, without limitation, customers and actual or potential employers, of the terms of this Agreement and my responsibilities hereunder.

11. Non-Solicitation of Employees/Consultants. During my acting as an Employee or Contractor of the Company and for a period of one (1) year thereafter, I will not directly or indirectly solicit away employees or consultants of the Company for my own benefit or for the benefit of any other person or entity.

12. Non-Solicitation of Suppliers/Customers. During and after the termination of my acting as an Employee or Contractor of the Company, I will not directly or indirectly solicit or otherwise take away customers or suppliers of the Company if, in so doing, I use or disclose any trade secrets or proprietary or confidential information of the Company. I agree that the non-public names and addresses of the Company's customers and suppliers, and all other confidential information related to them, including their buying and selling habits and special needs, created or obtained by me during my acting as an Employee or Contractor of the Company, constitute trade secrets or proprietary or confidential information of the Company.

13. Name & Likeness Rights. I hereby authorize the Company to use, reuse, and to grant others the right to use and reuse, my name, photograph, likeness (including caricature), voice, and biographical information, and any reproduction or simulation thereof, in any form of media or technology now known or hereafter developed (including, but not limited to, film, video and digital or other electronic media), both during and after my acting as an Employee or Contractor, for whatever purposes the Company deems necessary.

14. Injunctive Relief. I understand that in the event of a breach or threatened breach of this Agreement by me the Company may suffer irreparable harm and will therefore be entitled to injunctive relief to enforce this Agreement.

15. Governing Law; Severability. This Agreement will be governed by and construed in accordance with the laws of the Province of Alberta, without giving effect to its laws pertaining to conflict of laws. If any provision of this Agreement is determined by any court or arbitrator of competent jurisdiction to be invalid, illegal or unenforceable in any respect, such provision will be enforced to the maximum extent possible given the intent of the parties hereto. If such clause or provision cannot be so enforced, such provision shall be stricken from this Agreement and the remainder of this Agreement shall be enforced as if such invalid, illegal or unenforceable clause or provision had (to the extent not enforceable) never been contained in this Agreement.

16. Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered will be deemed an original, and all of which together shall constitute one and the same agreement.

17. Entire Agreement. This Agreement and the documents referred to herein constitute the entire agreement and understanding of the parties with respect to the subject matter of this Agreement, and supersede all prior understandings and agreements, whether oral or written, between or among the parties hereto with respect to the specific subject matter hereof.

18. Amendment and Waivers. This Agreement may be amended only by a written agreement executed by each of the parties hereto. No amendment of or waiver of, or modification of any obligation under this Agreement will be enforceable unless set forth in a writing signed by the party against which enforcement is sought. Any amendment effected in accordance with this section will be binding upon all parties hereto and each of their respective successors and assigns. No delay or failure to require performance of any provision of this Agreement shall constitute a waiver of that provision as to that or any other instance. No waiver granted under this Agreement as to any one provision herein shall constitute a subsequent waiver of such provision or of any other provision herein, nor shall it constitute the waiver of any performance other than the actual performance specifically waived.

19. Successors and Assigns; Assignment. Except as otherwise provided in this Agreement, this Agreement, and the rights and obligations of the parties hereunder, will be binding upon and inure to the benefit of their respective successors, assigns, heirs, executors, administrators and legal representatives. The Company may assign any of its rights and obligations under this Agreement. No other party to this Agreement may assign, whether voluntarily or by operation of law, any of its rights and obligations under this Agreement, except with the prior written consent of the Company.

20. Further Assurances. The parties agree to execute such further documents and instruments and to take such further actions as may be reasonably necessary to carry out the purposes and intent of this Agreement.

21. Employment. I understand that this Agreement does not constitute a contract of employment or obligate the Company to employ me for any stated period of time.

22. Effective Date of Agreement. This Agreement shall be effective as of the first day of my acting as an Employee or Contractor of the Company, which is _____, _____ (the "***Effective Date***").
